The SOLE E25 elliptical trainer was designed to help you focus on your workout, and is loaded with the features you need to meet your fitness goals. Maximize the time and effort you put into keeping fit with a total body workout that is easy on your joints. The SOLE E25's fluid natural motion is ensured by a whisper quiet drive system that functions in both forward and reverse motion. The E25 is engineered for an extremely smooth feel, even with increased resistance for when you want a more challenging workout. The E25 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to charge your smart devices while working out.
