The SOLE E35 elliptical trainer was designed to help you focus on your workout, and is loaded with the features you need to meet your fitness goals. Maximize the time and effort you put into keeping fit with a total body workout that is easy on your joints. The E35 is engineered for an extremely smooth feel, even with increased resistance for when you want a more challenging workout. Fluid natural motion is ensured by four wheels gliding along dual rails and functions in both forward and reverse. The E35 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to charge your smart devices while working out.
