

## U600E Upright Bike

Our U600E Upright Bike features the classic design cycling enthusiasts need for a pulse-pounding ride, plus extensive entertainment options. Multi-position handlebars make it easy to shift riding positions, and the comfortably contoured seat easily adjusts to give users of all sizes an ideal fit. The large touchscreen console elevates the experience with popular apps, exclusive workout programs and streaming entertainment.

- A heavy-gauge welded steel frame provides excellent stability during hard rides and durability that withstands years.
- An adjustable, ergonomically contoured seat makes even long, intense workouts comfortable for riders of all sizes.
- Connect the console to Bluetooth headphones and heart rate monitors for a wireless experience and connect to Wi-Fi for entertainment apps and software updates.
