

XBU55 UPRIGHT BIKE

The XBU55 Upright Bike is your ideal fitness companion, offering a superb workout experience in the comfort of your home. Powered by a smooth and quiet belt drive system with a 30 lb flywheel, this bike ensures a stable and enjoyable ride. With 20 levels of resistance, you have the freedom to customize your workout intensity. The 7.5" ClearView™ Multi-Colour Console LCD provides clear feedback on essential metrics and Bluetooth support (FTMS) for compatible 3rd party apps. This bike is designed with your comfort in mind, featuring an oversized pedal with a fast latching system, a high-density foam seat, and versatile seat adjustments. The XBU55 provides everything you need for a convenient and effective workout.
