

*We'll Move You*

**SB900** INDOOR CYCLE TRAINER

The SOLE SB900 elevates the workout experience for both the indoor and outdoor cyclist. SOLE combined the needs of both types of users to design a comfortable, affordable cycle providing the ultimate exercise experience in their own home or in a light commercial setting. The SOLE SB900 was designed to allow each user to find the right position for a comfortable workout, while the sturdy frame, and heavy weight flywheel ensure a smooth and quiet ride.

**SB900** INDOOR CYCLE TRAINER
