

EVERLAST

EVERLAST EV320 INDOOR CYCLE

Striving to make your fitness dreams a reality, 'Greatness is Within™' Everlast® cycles have a smooth and comfortable ride to help you meet your full workout potential

ULTRA-QUIET OPERATION: the smooth precision balanced flywheel is quiet and provides maintenance free operation

HEAVY-DUTY STEEL CONSTRUCTION: steel frame construction provides superior durability, making it an ideal investment that will last years to come

ULTIMATE COMFORT: the fully adjustable up/down, fore/aft black racing style seat allows the indoor cycle to conform precisely to your body

LCD DISPLAY: features time, speed, distance, calories, pulse, and RPM with Bluetooth connectivity

TENSION RESISTANCE: magnetic resistance with precise manual continuous tension knob and emergency brake system is designed to allow the user to set their own limits with a wide range of workout intensity options
