The SOLE F80 treadmill comes with an industry leading warranty and the Cushion Flex Whisper Deck, shown in a study to reduce impact up to 40% as compared to running on asphalt. The deck performance equals other commercial brands and is covered by a lifetime warranty. The strong 3.5 CHP motor delivers challenging speeds up to 12 mph and 15 different incline settings, and can run up to ten programs including targeted cardio training and fat burning programs. The F80 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to charge your smart devices while working out.
