The SOLE F85 treadmill is the top model in the folding treadmill series and SOLE's number one seller, featuring a 4.0 CHP motor with output and performance second to none. The strong motor delivers challenging speeds up to 12 mph and 15 different incline settings, and can run up to 10 programs including targeted cardio training and fat burning programs. The F85 treadmill console is user friendly with a vibrant display showing feedback about Speed, Incline, Time, Distance Traveled, Calories, Pulse, and Pace at all times, and includes a 1/4 mile track feature and a peak and valley graph for specific programs. The F85 includes an integrated tablet holder. This allows you to use your smart devices to watch shows or follow your workout routines. Seamlessly listen to music through the Bluetooth 3.0 Audio Speakers from any enabled smart device. Also included is a USB port to charge your smart devices while working out.
