The SOLE F85 Treadmill is the top model in the folding treadmill series and SOLE's number one seller. The 15.6" ENT touchscreen console includes pre-loaded apps and a wireless charging dock for maintaining smart device battery life during workouts. The cushion flex whisper deck is shown to reduce impact up to 40% as compared to running on asphalt. Featuring a 4.0 HP motor with output and performance second to none delivers challenging speeds up to 12 mph, 15 incline levels, and 6 levels of decline. The F85 has 30 programs including targeted cardio training and fat burning programs. Save multiple user profiles, track your progress, and save your user settings. Enjoy native support for compatible Garmin smart wearables for a Garmin feature rich workout experience. Screen mirror your smart device effortlessly to the F85 console screen or seamlessly listen to music through the Bluetooth 3.0 audio speakers from any enabled smart device.
