The 1000 Series Treadmill merges commercial-grade durability with a sleek, modern design, delivering both performance and innovation. Featuring a spacious 22" x 62" (56 x 157 cm) running surface, a maintenance-free, reversible running deck, and a powerful 5.0 HP AC motor, it ensures a smooth and consistent workout experience. The intuitive 21.5" high-resolution touchscreen provides a user-friendly interface with extensive entertainment options, including preloaded apps, screen mirroring, and direct HDMI connectivity. With Bluetooth FTMS compatibility and 19 pre-programmed workouts, users can easily track progress and customize their fitness routines. Built with high-quality components, this treadmill is designed for long-term reliability, making it ideal for all commercial settings.

FEATURES:

- Large 21.5" high resolution touchscreen with Bluetooth FTMS, screen mirroring, and streaming of news, entertainment and social media apps
- Touchscreen mimics a tablet design with a minimalist appearance and an intuitive layout for easy navigation
- Powerful and durable 5.0HP AC drive system with maximum speed of 15 mph (24 kph)
- Maintenance-free 1" (2.5 cm) reversible wax deck
- The generous 22" x 62" (56 x 157 cm) running surface offers ample space for a secure and confident workout
- Direct access speed and incline buttons located on the console
- 19 pre-set programs providing a variety of workout options for multiple workout levels
- Compatible with Garmin smart wearables, Apple Watch and other 3rd party fitness apps to view training data and chart progress in real-time
- Max user weight of 450 lb (205 kg)
