The 1000 Series Upright Bike is built for durability, comfort, and an immersive workout experience. Designed for all fitness levels, it features 11 pre-programmed workout options and 40 levels of magnetic resistance for customized training. A 30 lb (14 kg) flywheel with a 12:1 pedal-to-flywheel ratio ensures smooth and consistent motion, while the oversized cushion seat with 11 vertical adjustment positions provides superior comfort and support. For enhanced engagement, the bike offers three workout display modes and a high resolution touchscreen with an intuitive, user-friendly interface. Entertainment options include built-in apps, screen mirroring, and HDMI connectivity, keeping workouts both effective and enjoyable. Built to withstand continuous use, the bike features commercial-grade pedals, cranks, and bearings, along with an oversized 1" (2.5 cm) crank axle and heavy-duty roller bearings, ensuring a smooth ride and reliable longevity.

FEATURES:

- 15.6" high-resolution touchscreen with Bluetooth FTMS, screen mirroring, and streaming of news, entertainment and social media apps
- Touchscreen features a sleek, tablet design with intuitive layout, ensuring effortless navigation
- The 30 lb (14 kg) flywheel with 12:1 pedal-to-flywheel ratio delivers smooth, consistent pedal motion across all speeds and resistance levels, ensuring a seamless and controlled riding experience
- Direct access buttons for Start, Stop, Enter, and Level Up/Down ensure seamless operation
- Users can customize workouts to match any fitness level or training goal by engaging with the 11 pre-set programs and up to 40 levels of resistance
- Quick adjust seat with 11 vertical adjustment levels easily accommodates users of various heights
- Fast-latch pedals with a 2-degree inversion enhance comfort and support during workouts
- Oversized 1" (2.5 cm) crank axle along with heavy-duty roller bearings for reliable longevity
- Compatible with Garmin smart wearables, Apple Watch and other 3rd party fitness apps to track training data and monitor progress in real time
- Max user weight of 450 lb (205 kg)

15.6" Touchscreen Console

Mirroring, supports chrome cast, built-in media apps
