

# EP-560™ Ltd. Inversion Table

**Plastic injection-molded** design is more durable than typical nylon or vinyl beds vulnerable to wear and tear. The easy-to-clean surface ensures pristine appearance over years of use.

ComforTrak™

**Now with BONUS Acupressure Nodes & Decompression Arch**

**ComforTrak™ Bed:**  
The pressure-reducing shape maximizes spinal comfort and flexes with the user to enhance joint mobilization. Its innovative “track” design integrates the optional Acupressure Nodes and Lumbar Bridge accessories. Pillow included.

**Grip-and-Stretch Handles:**  
Hand-holds in the bed and steel frame serve as manual traction points to enhance decompression and realignment.

**Ergo-Embrace™ Ankle System:**  
Pressure-reducing specialty foam cups distribute body weight comfortably around the foot and heel to allow for a relaxing and secure user experience.

**Ankle Comfort Dial™:** Dual-setting foot platform dials up or down to attain a secure, comfortable fit.

**Unique and Patented Security Features:** Auto-locking hinges, cam locks, and heat-treated steel parts create a more secure and durable product.

**Precision Balancing:** Unique design offers smooth rotation and controlled lockout in full inversion.

**Stable Base (and added floor protection):** Corner feet increase the A-frame base by 20% and reduce sliding on hard surfaces.

**Pre-set Rotation Control:** Adjustable tether allows pre-determined maximum angle of inversion.

**Quick-Fold Storage**

Height Capacity:	4'8" - 6'6" (142 – 198 cm)
Weight Capacity:	300 lbs (136 kg)
Packaged Dimensions:	48.2 x 29.7 x 6.5 (122.4 x 75.4 x 16.5 cm)
